Technical: Google Ads, Meta Ads, LinkedIn Ads, Pinterest Ads, Claude, Shopify, SEMrush, Ahrefs, SEO, Google Search Console, Midjourney, Google Analytics, Madgicx, Office 365, Canva (Advanced)

EXPERIENCE

Attention Not LLP

Mumbai, India

Digital Marketing Executive

07/2025 – Present

Drove profitable paid acquisition for D2C brands (Kraasa, NORI) across Meta and Google, scaling Kraasa to ₹1.23M+ revenue on ₹134K ad spend (1,148 purchases; blended ROAS 9.14x; CPA ₹116.80) and delivering ₹9.16L+ attributed revenue for NORI while building a reliable tracking stack (GTM, GA4, Shopify, Meta Pixel + CAPI) to remove cross-channel attribution drift.

Led creative and organic growth across the funnel, deploying AI-driven UGC, influencer and product-centric creatives with strict budget optimization and catalog retargeting, while growing Instagram accounts for five D2C brands by 500–600 net followers each and keeping marketing cost near 11% of AOV.

Directed social media strategies for multiple brand accounts with 10K+ followers, building content calendars, coordinating asset production and maintaining a consistent, high-end brand voice across Instagram, Pinterest, and Facebook.

Built and scaled LinkedIn content for brands and founders averaging 25–40K impressions per month with 4–6% engagement rates.

Led brand positioning and visual storytelling efforts, crafting content themes that aligned with each brand's tone, target audience, and market positioning to strengthen overall brand identity.

Supervised a creative team of designers and video editors, ensuring timely delivery of platform-specific content including reels, carousels and branded stories, resulting in consistent month-on-month engagement growth across all managed pages.

Utilized GA4, Meta Ads Manager and Google Search Console to analyze data, generate performance reports and implement strategic optimizations for continuous campaign improvement.

Oversaw influencer marketing operations, identifying, coordinating and negotiating with creators to amplify brand visibility and awareness through authentic partnerships.

Supported recruitment operations, crafting job posts, sourcing and screening candidates and conducting initial interviews to fill key creative and marketing roles.

AOAS Inc.

Mumbai, India

Marketing & Operations Specialist

07/2025 – Present

Built omnichannel outbound outreach systems across LinkedIn, email and Instagram DMs to streamline outbound client acquisition and book sales calls. Executing 50+ personalized LinkedIn invites, 25+ cold emails and 20+ highly personalized Instagram DMs per day.

Executed high-ticket influencer marketing campaigns collaborating with top fashion models, influencers and actors including Riteish Deshmukh and Aditya Roy Kapur for an elite fashion and lifestyle brand visuals and documentaries, handling end-to-end talent sourcing, negotiation and coordination with their management teams.

Managed AOAS' social media account with 60K+ followers, overseeing content strategy, creative direction and engagement growth to maintain a consistent and aspirational brand presence.

Managed Meta Ad campaigns to drive both social media growth and talent acquisition for AOAS, optimizing audience targeting and ad creatives to deliver measurable results. Conducted first-round intern interviews to evaluate marketing candidates' alignment with company culture and role requirements.

Assisted the CEO with inbound social media growth strategies and outbound client outreach planning, contributing to overall business development and brand visibility.

Highgrowthers Agency

Thane, India

Digital Marketing Executive

01/2025 – 06/2025

Implemented scalable HARO backlink acquisition strategies for healthcare and real estate clients, securing 30+ high DA backlinks that improved domain authority and SERP rankings.

Optimized on-page SEO for 150+ pages by refining meta tags, H1-H3 structure, keyword density, internal linking and image alt texts leading to improved crawl depth and ranking efficiency.

Managed a content calendar for more than 7 clients with 25+ monthly assets including reels, static posts, LinkedIn carousels and story packs; collaborated with designers and editors for optimized visual consistency and tone.

Created a content system for an international school client focusing on educational reels, carousel FAQs and testimonial snippets that increased engagement rate from 0.8% to 3.6% within 90 days through consistent posting and strategic CTA placements.

Improved real estate client's local SEO performance via GSC enhancements, page speed fixes (WebP, lazy loading, reduced TTFB) and city-level keyword targeting.

Managed a team of designers and video editors to deliver 70+ pieces of high-performing content.

Abhitech Energycon Ltd

Mumbai, India

Digital Marketing Specialist

04/2025 – 11/2024

Grew LinkedIn company page followers by 600+ by executing a niche group engagement plan. Actively posted in relevant industry communities, initiated value-driven discussions and redirected traffic to the company page through consistent interactions.

Achieved a 28% open rate in an email marketing campaign targeting C-suite executives for an international B2B exhibition in Jakarta by using audience segmentation, creative subject line A/B testing and clear CTA positioning to improve engagement.

Bizlytik Intelligence LLP

Mumbai, India
